

PLUG IN. PUNCH OUT

The PUNCH EQ adds excitement to your music. Rockford Fosgate is the only audio brand to have developed its own sonic signature and now we've brought that unique technology from the car to your headphones.

BIGGER IS BETTER

Class leading 15mm dynamic driver delivers massive bass response, ultra accurate midrange and crystal clear highs.

DESIGNED FOR COMFORT

Includes multiple COMFORT PLUGS to ensure a custom fit for every ear. Superior noise attenuation keeps the PUNCH IN and the World OUT. Finally you can get loud, without fear of disturbing the peace.

GET LOUD

PUNCH PLUGS massive 15mm driver with a low impedance design and PUNCH EQ tuning, combine for an industry leading SPL (Sound Pressure Level). When too much is just right.

SPECIFICATIONS

Driver Magnet: Neodymium
Driver Diaphragm: 9µm PPS (Polyphenylene sulphide)
Driver Diaphragm Diameter: 15 mm
Driver Voice Coil Diameter: 7.4 mm
Driver Nominal Impedance: 24 Ohms
Input Sensitivity: 105 dB/mW
Frequency Response: 10Hz - 18kHz
Rated Input Power: 3mW
Maximum Input Power: 20mW
Total Harmonic Distortion: <3% @ 115dB SPL
Connector: 3.5mm (1/8") stereo headphone minijack

*Designed & Engineered in Tempe, Arizona, U.S.A.
Specifications subject to change without notice.*

DIRECTIONS

1. Multiple Comfort Plugs are available to block out external noise. Choose the best pair that fits your inner ear comfortably and best seals out noise.
2. Insert the appropriate monitor into each ear. The LEFT and RIGHT monitors have been specifically designed to comfortably fit into the LEFT and RIGHT ear canal respectively.
3. Adjust the volume on your music player to minimum before inserting Punch Plugs. Enjoy your music!

PRACTICE SAFE SOUND™

CONTINUOUS EXPOSURE TO SOUND PRESSURE LEVELS OVER 100dB MAY CAUSE PERMANENT HEARING LOSS. PERSONAL HEADPHONES CAN PRODUCE PRESSURE LEVELS UP TO 115dB. USE COMMON SENSE AND PRACTICE SAFE SOUND.

LIMITED WARRANTY

Length of Warranty: 1 Year

This warranty covers only the original purchaser if purchased from an Authorized Dealer in the United States. In order to receive service, the purchaser must provide Rockford with a copy of the receipt stating the customer name, dealer name, product purchased and purchase date along with the defective headphones.

What is Covered:

1. Manufacturing defects to the diaphragm, earphone housing, comfort plugs, cable, input jack or carrying case.

What is Not Covered:

1. Damage to the diaphragm due to excessive power input (blown).
2. Subsequent damage to other components.

Accident Replacement Warranty

Stuff happens - we know it - and Rockford Fosgate has a Customer Loyalty program for you if it does. If you (or someone else in your family) steps-on, breaks, tears, drops them in the sink, or any other accident occurs, please call or visit www.rockfordfosgate.com for details on purchasing replacement headphones at a discounted price. In order to qualify, you must provide Rockford with a copy of the receipt stating the customer name, dealer name, product purchased and purchase date along with the damaged headphones.
