## RZR® REAR SPEAKER WIRE KIT

### RFRZ-RSW16

Serial Number: \_\_\_\_\_ Date of Purchase: \_\_\_\_\_

# Introduction

Dear Customer,

*Congratulations on your purchase of the world's finest brand of audio products. At Rockford Fosgate we are fanatics about musical reproduction at its best, and we are pleased you chose our product. Through years of engineering expertise, hand craftsmanship and critical testing procedures, we have created a wide range of products that reproduce music with all the clarity and richness you deserve.*

*For maximum performance we recommend you have your new Rockford Fosgate product installed by an Authorized Rockford Fosgate Dealer, as we provide specialized training through Rockford Technical Training Institute (RTTI). Please read your warranty and retain your receipt and original carton for possible future use.*

*Great product and competent installations are only a piece of the puzzle when it comes to your system. Make sure that your installer is using 100% authentic installation accessories from Rockford Fosgate in your installation. Rockford Fosgate has everything from RCA cables and speaker wire to power wire and battery connectors. Insist on it! After all, your new system deserves nothing but the best.*

*To add the finishing touch to your new Rockford Fosgate image order your Rockford accessories, which include everything from T-shirts to hats.*

*Visit our web site for the latest information on all Rockford products;*

### PRACTICE SAFE SOUND

Continuous exposure to sound pressure levels over 100dB may cause permanent hearing loss. High powered auto sound systems may produce sound pressure levels well over 130dB. Use common sense and practice safe sound.

## Safety

This symbol with "WARNING" is intended to alert the user to the presence of important instructions. Failure to heed the instructions will result in severe injury or death.

This symbol with "CAUTION" is intended to alert the user to the presence of important instructions. Failure to heed the instructions can result in injury or unit damage.

- To prevent injury and damage to the unit, please read and follow the instructions in this manual. We want you to enjoy this system, not get a headache.
- If you feel unsure about installing this system yourself, have it installed by a qualified Rockford Fosgate technician.
- Before installation, disconnect the battery negative (-) terminal to prevent damage to the unit, fire and/or possible injury.

## Contents

- (2) Rear Speaker Wire Harnesses
- Plastic Wire Tie Wraps

## Installation Tools

The following is a list of suggested tools needed for installation:

- Security Torx (supplied with Wake Cans)
- Wire Cutters
- Allen Wrench

## Installation Considerations

This section focuses on some considerations for installing your Polaris® RZR® Rear Speaker Wire Harnesses. This manual will illustrate the installation process with a 2016 Polaris RZR XP4 Turbo.

If you feel unsure about installing this system yourself, have it installed by a qualified technician.

**⚠ CAUTION** Before installation, disconnect the battery negative (-) terminal to prevent damage to the unit, fire and/or possible injury.

**⚠ CAUTION** Before beginning any installation, follow these simple rules:

- Be sure to carefully read and understand the instructions before attempting to install this rear speaker wire kit.
- Consult your UTV's service manual for model specific information. Models may differ from year to year depending on factory options and aftermarket accessories added.
- This dash kit is specifically designed to work with Rockford Fosgate's Element Ready wake can speaker enclosures.
- With the addition of an amplifier or source unit, be sure that your current charging system is in proper working order.
- Visit [rockfordfosgate.com](http://rockfordfosgate.com) for more comprehensive installation videos and product information.

## Applicable Models:

**2014 and up RZR® XP/XP4 1000**

**2016 and up RZR® XP/XP4 Turbo**

**2015 and up RZR® S/ XC / 4 900**

This rear speaker wire kit is designed to work with Rockford Fosgate's RFRZ-PMXWH1 and RFRZ-K4D wire kits. The wire harnesses plug directly into PM21652W-MB and RM1652W-MB wake tower speaker enclosures.

**NOTE:** Installation will be shown on passenger side of vehicle for the purpose of the installation guide. The driver's side wire harness mounts in a similar manner.

# Installation

## Step 1 - Mount Mini Wake Can Speaker Bracket

You will need to assemble the bottom half of the PM-CL2B to the wake can mount first. Once assembled, feed the white 2 pin connector through the mounting tab and lower bracket.

You will want to install the wake can bracket approximately 4-6 inches away from the top of the rear shock reservoir. Place the wire in the notch on the side of the clamp before tightening so the wire does not pinch.

NOTE: Be sure to leave enough slack so you can connect the speaker to the connector.

## Step 2 - Attach Wake Can Speaker Enclosure to Bracket

Once the wire harness is connected to the wake can, slide the enclosure over the mounting post and secure it with using the security Torx wrench that came with the enclosures.

NOTE: A safety lanyard is supplied with the wake cans for additional safety. Refer to wake can instructions for a more detailed installation guide.

## Step 3 - Route Speaker Wire Harness

This harness is designed to be run down the rear factory cage with the supplied plastic wire ties.

Continue to route the harness down the rear tube through the shock reservoir opening. The wire harness should follow the upper shock mounting tube.

**NOTE:** Be sure the wire harness is wire tied to the top side of this tube, away from moving components and heat.

Follow the tube down towards the front of the vehicle and attach with wire tie wraps.

Route the harness toward the center of the vehicle toward the rear access panel.

**NOTE:** Be sure to keep away from exhaust and moving components when routing toward the center of the vehicle.

## Step 4 - Connect to Rear Speaker Harness

Be sure that the center console is removed to gain access to the wire harness.

Feed both wires under the access panel and connect to RFRZ-4KD or RFRZ-PMXWH1 rear speaker harness.

Once connected, bundle up any slack in the harnesses and wire tie wrap to hold in place.

Install the center console and access panel.

## Warranty

---

**Rockford Corporation offers a limited warranty on Rockford Fosgate products on the following terms:**

### **Length of Warranty**

- POWER Amplifiers – 2 Years
- BMW® Direct Fit Speakers – 2 Years
- All other products - 1 Year
- Any Factory Refurbished Product – 90 days (receipt required)

### **What is Covered**

This warranty applies only to Rockford Fosgate products sold to consumers by Authorized Rockford Fosgate Dealers in the United States of America or its possessions. Product purchased by consumers from an Authorized Rockford Fosgate Dealer in another country are covered only by that country's Distributor and not by Rockford Corporation.

### **Who is Covered**

This warranty covers only the original purchaser of Rockford product purchased from an Authorized Rockford Fosgate Dealer in the United States. In order to receive service, the purchaser must provide Rockford with a copy of the receipt stating the customer name, dealer name, product purchased and date of purchase.

Products found to be defective during the warranty period will be repaired or replaced (with a product deemed to be equivalent) at Rockford's discretion.

### **What is Not Covered**

1. Damage caused by accident, abuse, improper operations, water, theft, shipping.
2. Any cost or expense related to the removal or reinstallation of product.
3. Service performed by anyone other than Rockford or an Authorized Rockford Fosgate Service Center.
4. Any product which has had the serial number defaced, altered, or removed.
5. Subsequent damage to other components.
6. Any product purchased outside the U.S.
7. Any product not purchased from an Authorized Rockford Fosgate Dealer.

### **Limit on Implied Warranties**

Any implied warranties including warranties of fitness for use and merchantability are limited in duration to the period of the express warranty set forth above. Some states do not allow limitations on the length of an implied warranty, so this limitation may not apply. No person is authorized to assume for Rockford Fosgate any other liability in connection with the sale of the product.

### **How to Obtain Service**

Contact the Authorized Rockford Fosgate Dealer you purchased this product from. If you need further assistance, call 1-800-669-9899 for Rockford Customer Service. You must obtain an RA# (Return Authorization number) to return any product to Rockford Fosgate. You are responsible for shipment of product to Rockford.

### **EU Warranty**

This product meets the current EU warranty requirements, see your Authorized dealer for details.
