

We are a customer focused provider of audio solutions. We exceed users' expectations with well thought out design, integration, and service. Our purpose-built products meet our customers where they are at, enhancing their moment with a powerful experience through music.

Job Title: Software Test Intern (Part Time)

Job Location: Tempe, AZ (100% Onsite)

Rockford Fosgate is looking for a self-motivated and disciplined Software Test Intern. This will be an integral part of the software team and will focus on creating manual and automated tests for our class-leading software-based products.

KEY RESPONSIBILITIES:

- Design and execute software test plans for audio-based products.
- Work closely with developers to reproduce and debug issues.
- Develop and perform software unit testing.
- Perform functional system testing at both the software and hardware level.
- Perform regression, black box, sanity and user acceptance testing.
- Automate test processes and generate reports.
- Participate in the development of software applications using the latest technologies.

REQUIRED SKILLS/QUALIFICATIONS:

- Enrolled as sophomore or higher in software, computer or electrical engineering field of study.
- Ability to participate and collaborate in a team environment.
- Excellent communication and documentation skills.
- Driven by curiosity and continuous desire to learn.
- Self-motivated, self-organizing, and self-sufficient.
- Passion for testing robust mobile applications and websites.
- Basic software development proficiency (e.g. Python, C, JS, etc.).
- Basic knowledge of source control and bug tracking is a plus.

Rockford Fosgate is an equal opportunity employer located in Tempe, Arizona. Join us and thrive in a dynamic office environment where your contributions truly make a difference. Enjoy the benefits of flexibility, competitive pay, a 401k match, and a pathway for growth.

Interested and qualified applicants are encouraged to send their resume and cover letter to jobs@rockfordcorp.com Visit www.rockfordfosgate.com to learn more about us.
